Speaker: John T. Krempecki, O.D.  
Cape Fear Eye Associates

Topic: Functional Vision Disorders and Vision Therapy

Speaker: Abigail Martin MD  
Duke University Medical Center

Topic: Pediatric Surgical Emergencies

Speaker: Diana McShane, MD  
Duke University Medical Center

Topic: Update on common pediatric skin disorders

Speaker: Brunilda Cordero, MD  
Cape Fear Valley Pediatric Endocrinology

Topic: Pediatric Diabetes Update

Speaker: Carolyn Pizoli MD, PhD  
Assistant Professor of Pediatrics  
Duke University Medical Center

Topic: Concussions, Sports participation and post-concussion syndrome in Pediatrics

**Statement of need:** Requested by local pediatricians. To provide an update on subjects of interest and need for area pediatricians and family practice physicians.

## Goal / Purpose:

1. To improve pediatricians knowledge of current management issues
2. To provide an update on continuing education that targets a variety of topics to the area providers .

## Objectives: Following this activity participants should be able to:

1. Have an improved understanding of diagnoses discussed
2. Be able to better manage patients with the discussed conditions
3. Know indicators for specialty referral
4. Be familiar with current data and literature affecting decision-making of discussed topics

**Faculty Disclosure:** Cape Fear Valley Health System adheres to the Essential Areas and Policies of the North Carolina Medical Society (NCMS) and the Accreditation Council on Continuing Medical Education (ACCME) regarding industry support of continuing medical education. Disclosure of faculty/planning committee members and commercial relationships will be made known at the activity. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations.

**CME Accreditation:** Cape Fear Valley Health System designates this live activity for a maximum of 5.0 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Coordination:** The CME activity is coordinated through Physician Education of Cape Fear Valley Health System, Continuing Education and the Duke Children's Hospital and Health Center Program. Dr. Stephen Miller is the Medical Advisor for this symposium. For CME information, call the Office of Physician Education at (910) 615-7038.

**Transcripts:** Please direct all CME inquiries and questions to the Office of Physician Education (910) 615-7038.
