Other Ways Cape Fear Valley Health Foundation Supports Children in Hoke County

Sheriff Hubert Peterkin Scholarship: Provide a \$1,000 scholarship for a Hoke County high school student pursuing higher education in the health sciences field and is a dependent of a law enforcement agent in the county.

Distraction Station: Funded this piece of equipment as a tool to provide diversional and therapeutic activities to our pediatric patients waiting on disposition or placement.

Community Donations: Distribute crayons, blankets, coloring books and stuffed animals to pediatric patients to make their hospital stay less scary.

CAPE FEAR VALLEY HEALTH
FOUNDATION

A Little History

Serving Hoke and surrounding counties for 10 years, Cape Fear Valley Hoke Hospital provides vital, compassionate care close to home. In 2025 we're celebrating a decade of quality healthcare, healing, and community.

Since our establishment in 2015, we have continually expanded our healthcare offerings to meet the evolving needs of our patients. We now provide a wide range of services including:

- Full-service Emergency Dept.
- ICU
- Surgery Center with 2 Operating Rooms
- Orthopedics
- Physical Therapy
- Laboratory
- Sleep Lab
- Cardiology
- Stress Testing
- And more ...

Hoke Hospital proudly achieved a **Leapfrog A** rating for exceptional patient safety and care in 2021, 2023, and 2024 and also received Leapfrog's Top General Hospital award. Additionally, they earned 5-star ratings from **Centers for Medicare & Medicaid Services (CMS)** since 2021.

The Need

Hoke Hospital offers comprehensive pediatric care, from routine check-ups in our clinics to specialized treatment in our Emergency Department. In 2024, Hoke Hospital has had a total of 48,868 emergency patient visits, 20% of which were under the age of 18.

To ensure we continue providing evidence-based care to our growing community, we need to expand our pediatric capabilities. We also aim to enhance our patient experience with comfort items and a more calming environment. **Our goal is to raise \$20,000 to fund four pediatric rooms in our emergency room.** Your donation, no matter the size, will directly impact the health and well-being of children in our community. Help Hoke Hospital provide the best possible care for our youngest patients by making a donation today!

Your gift will help us care for our youngest patients by providing:

- Specialized Medical Equipment
- Comfort Items
- Calming Decor

Hoke Hospital celebrates their 10th Anniversary this year and we are encouraging you to donate within \$10 increments to help meet our goal of \$20,000.

I would like to support Hoke's 10 Year Anniversary
